# 5 Smart Reasons To Pick Us

---

## Did We Say Real-Quick!

Does buying an insurance policy sound like a task to you, well that's what we don't want you to think any further. Let's just say, all you need is your old policy and a camera in your phone to get a policy in under 60 seconds. Just Scan, Review and Pay using the OCR technology-powered Reliance Selfi App. Now that's what we call quick!

## One Policy. Different Needs

We give you freedom to choose. An insurance cover offers protection that is common to all two-wheelers, but the need of that protection keeps changing from where you stay to how much you drive. So, with us you get a host of add-ons to opt from, depending on your choice and need.

## Closer From Wherever You Are

With a vast network of 1200+ network garages we are closer from any part of the city you drive to. And the best part is that, we offer cashless claims facility throughout, which means you can relax while your two-wheeler is repaired, and we settle the claim directly with the garage.

## We're Just A Video Stream Away

Stuck in the traffic or on the highway with your broken-down two-wheeler, just tap on your phone, open the Reliance Selfi App and Live Video Stream with us to get instant claim assistance. We will immediately arrange the fastest support to repair on the spot or take the vehicle to the nearest garage for a quick fix.

## No Claim. Yes Bonus.

No claim during the policy year is definitely good news, both for your two-wheeler and your insurance premium because, you get to accumulate up to 50% discount on your premium with NCB (No Claim Bonus). Also, there is an option of voluntary deductibles that can be chosen to lower the premium amount. A deductible of between ₹500 to ₹1,500 could be chosen which will lower the premium by 5% to 20%

## Add-On! Because You Need Them

---

### Full-On Protection With Nil Depreciation

When you make a claim in a comprehensive cover like this one, claim is paid after deducting the depreciation cost of the replaceable parts mostly the ones made of Rubber, Nylon, Fiber etc. A Nil Depreciation Cover or the Bumper-to-Bumper cover as it is popularly known as, saves you from this deduction and can fetch you the entire claim compensation. So, go for it if you have a new bike or you're a new rider or just driving in a city with crazy traffic.

### Daily Rides Will Never Take A Back Seat

We can't deny the fact that damages happen! Although we don't like to see our vehicle in that condition, we need to leave them in the garage for proper repair and travel by our own. The problem begins, when you have to spend out-of-pocket for travelling, but don't worry, because our Daily Allowance Benefit# add-on, covers to provide you an allowance limit of up to `5,000/day, if your vehicle is in an authorized network garage for more than 2 days for repairs.

## And 2 More To Make Up Your Mind

---

### Vehicle Halts But Not The EMI

Sometimes damages take time to heal, not just for us, but for your two-wheeler too. While your vehicle is under repair at an authorized service centre for more than 21 days, we take care of your running auto-loan EMIs. Yes, with the EMI Protection Cover, we pay up to 3 EMIs of your two-wheeler's loan. Go for it if you have purchased your high-value dream bike on a loan or if a longer repair duration for your scooter will disrupt your financial savings.

### Helmets' A Must And So Is Its Cover

Helmets are the most important and essential accessory gear to wear while you are riding your two-wheeler. So, don't make a compromise there and definitely don't make one in covering it too. Helmet Cover add-on will make an allowance towards cost of replacing damaged or destroyed helmet of same type and model due to accident involving the insured vehicle.

#Allowance Limit `5000/- per day. Lumpsum theft benefit, if vehicle is not recovered <=90 days. And 2 claims applicable per policy period.

---

- Mechanical and electrical breakdown
- Vehicle being used other than in accordance with the limitations as to use. For example, if you use your two-wheeler for remuneration purposes
- Damage to/by person riding without a valid driving license
